A fine spirit of optimism prevails throughout the community regarding the part which Waterbury has been asked to assume in the national Red Cross drive scheduled for next week. Waterbury's share of the \$100,000,000 fund is \$1,000, and the chairman of the drive, A. H. Smith, expects, with the aid of his enthusiastic corps of assistants, to put Waterbury "over the top" before the week is half gone. Among those who have already volunteered to assist in the drive are: C. B. Adams, Stowe street; J. T. Smith, W. F. Davis, D. W. Cooley, C. C. Graves, South Main street; E. W. Magnus, Randall avenue; Dr. and Mrs. T. J. Newcomb will take charge of the work at the Center. Other assistants will be assigned to other localities as rapidly as possible. Chairman Smith intends to have everything in working shape by tonight, so the drive may commence at all points on Monday, the day scheduled for the start.

To-morrow evening a public meeting will be held at the opera house at 8 o'clock to arouse interest in the Red Cross drive which starts Monday. The program is as follows: Prayer, Rev. Verne L. Smith; selected readings, "The Rhymes of a Red Cross Man," by H. D. Hopkins of Montpelier, county manager of the drive. The address of the evening will be by the Hon. Frederick G. Fleetwood of Morrisville. There will be an other patriotic song and a collection taken to defray the expenses of the evening. Waterbury's share in this drive is \$1,000. NO MORE RHEUMATISM

Torturing Pains and Swollen Joints Vanish When Rheuma Is Used.

At last a real remedy for rheumatism! And a good one it must be when E. A. Brown & Co. and good druggists everywhere sell it on the no-cure no-pay basis.

Rheumatism should be the news with great rejoicing, for it is surely a remarkable remedy and has a record of almost unbelievable cures. Read what J. F. Oliver of Albany, Ga., says about it:

"I had serious rheumatism for two years, and tried every medicine offered for rheumatism. Tried many doctors, was treated at one of the best southern sanatoriums, and if I improved any I did not realize it. I am a conductor on the Central of Georgia railroad, and had secured a pass to Hot Springs, Ark., to take treatment. About that time I saw Rheuma advertised and concluded to try it. I abandoned my trip, took three bottles, and now feel as well as ever. I am going to make everybody I see who has rheumatism try it. I would not take a hundred thousand dollars for what Rheuma has done for me. I would rather be dead than live as I was before the use of Rheuma."

If you have rheumatism in any form, don't delay—try Rheuma to-day. A large bottle, sufficient for two weeks' treatment, is not expensive, and your money back if it does not give you quick and joyful relief.—Adv.
